

## **TABLE TOPICS SPEAKER**

1. Participants of Table Topics should try to answer the question given them by the Table Topics Master and think of inventive ways to insert the word of the day. Sometimes, just like writing a book, a table topics speech will take on a life of its own, and that's also fine.
2. When you participate in Table Topics, if you just keep talking, ideas will come.
3. To prepare yourself for Table Topics, make sure you read the Toastmaster's Theme and think about things you might like to say if you are called upon. Participation in Table Topics gives you confidence and increases your ability to speak ad hoc.
4. Remember to shake the hand of the Table Topics Master at the beginning of your presentation and also before returning to your seat.
